EXPERIENCE

- Front-end Developer** pune
Teople Technology 01/2025 - Present
 - Developed a fully responsive and dynamic HR dashboard UI using React.js and Ant Design, improving user experience across all devices. -Implemented role-based access control (HR/Admin/Employee views) on the front end, ensuring secure and relevant data visibility.
 - Integrated animated sidebar navigation with GSAP, enhancing UI interactivity and engagement.
 - Designed and built reusable form components (Employee Details, Leave Application, Salary Input) to streamline code and reduce redundancy.
 - Developed a leave management interface with dynamic status updates and filtering (Pending, Approved, Rejected) using React state management.
 - Enabled real-time form validations and feedback using Ant Design Forms and custom hooks, improving data accuracy. Integrated PDF generation (Offer Letters, Salary Slips) directly from the frontend using jsPDF with custom themes.
 - Applied theme switching (Dark/Light/Custom themes) using React Context API, enhancing accessibility and personalization.
- .Net Development** Miraj
Mind IT Services 04/2024 - 07/2024
 - Developed a responsive restaurant advertisement website using ASP.NET MVC/Core with Razor Views, C#, Bootstrap, and SQL Server, featuring dynamic content like menu, offers, and contact forms integrated with form validation and jQuery.
 - Built an admin panel for managing promotions, featured dishes, and customer inquiries, enabling real-time updates via Entity Framework and enhancing user engagement through mobile-friendly UI/UX.
 - Deployed and optimized the website for SEO, performance, cross-browser compatibility, and accessibility, collaborating closely with stakeholders to meet requirements and ensure on-time delivery.

PROJECTS

- Alumni Network** 01/2024 - 06/2025
Github
 - Developed a web-based Alumni Network platform using React (frontend) and .NET Core (backend) with SQL Server, enabling alumni registration, profile management, and secure authentication.
 - Implemented key features such as job postings, event announcements, messaging, and update sharing to foster interaction between alumni and current students.
 - Integrated admin controls for managing users and content, ensuring secure, scalable communication and community engagement across the platform.
- HR Management System** 01/2025 - Present
Github
 - Developing a web-based HR Management System using React.js and MySQL Lite, with core features like employee management, leave tracking, salary generation, and role-based access control.
 - Building a responsive and user-friendly UI with dynamic forms and real-time updates to enhance user experience across devices.
 - Implementing secure CRUD operations and data handling practices to ensure system reliability and access control based on user roles.

EDUCATION

- D.K.Patil School** Tasgaon
10th Standard - Secondary School Certificate (SSC) - 64 % 2018 - 2019
- Balaji College** ichalkaranji
12th Standard - Higher Secondary Certificate (HSC) - 84 % 2020 - 2021
- Padmabhooshan Vasantraodada Patil Institute of Technology (PVPIT), Budhgaon** Sangli
B.Tech - Computer Science And Engineering - 6.97 % 2021 - 2025

SKILLS SUMMARY

- Languages** Java, Javascript
- Frameworks** React.js, Ant Design, GSAP, Day.js, Form validation, React Router, React Context API
- Databases** MongoDB
- Tools** VScode

CERTIFICATIONS

- German Language** - Shri mahalaxmi academy kolhapur
